

# Quebec gathers for peace and justice in Lebanon...right now!!

**Since July 12<sup>th</sup> 2006, Lebanon became a martyr nation.** In the name of its legitimate right to live in security, Israel inflicted total insecurity on Lebanon. By land, sea, and air, bombings on Lebanon never stop destroying and murdering Lebanon.

**The result of this aggression, described as “measured” by Canada's prime minister?**

More than 800 civilians dead, more than 3000 injured, and close to a million displaced, levelling of all infrastructure (airport, roads, neighbourhoods, means of communication, factories, etc.), beaches filled with fuel oil after bombing the petrol reserves.

**The symbol of this murderous lunacy?** The shredded bodies of innocent children in Cana.

**At the same time,** the Israeli army continues to bomb and murder Palestinian civilians in the Gaza strip and the West Bank.

**WE INVITE all Quebecers to voice their protest against PM Harper's pro-Israeli and pro-Bush position.**

**We INVITE all Quebecers to march for:**

- Demand an unconditional and immediate cessation of fire.
- Demand the respect of international conventions and “ALL” UN resolutions related to this conflict.
- Demand from the Harper government to dissociate Canada for the policies of the United States and instead promote justice and peace in the Middle-East.
- Show our solidarity with the Lebanese and the Palestinian people.

**SUNDAY August 6<sup>th</sup>, 2006**

**Starting at 01:00 PM**

**Gathering at Parc Lafontaine, corner of De La Roche & Rachel**
